EDUCATION

B.Sc in Computer Science	65 %
Loyola Degree College (ysrr)	2023-2026
MPC	4.6 CGPA
Govt Junior College Pulivendula	2020-2023
SSC	9.8CGPA
S.M.M.S Oriental High School	2019-2020

TECHNICAL SKILLS

Programming Languages: Java

Web Technologies: HTML, CSS, JavaScript, Node.js, Express.js

Frameworks Frameworks: React, JDBC, Servlets, JWT, JSP, Spring Boot, Hibernate

Databases: SQL, MySQL, MongoDB

Tools: VS Code, Git, GitHub, Eclipse, Tomcat Server, NetBeans, Linux command line

PROJECTS

Supermarket Automation Software Java, JDBC, JSP, Servlets, OOPs, HTML, CSS

- Developed a supermarket automation system to streamline and automate core processes, including inventory management, billing, and order processing.
- Implemented CRUD operations for managing products, orders, and inventory, ensuring efficient and smooth day-to-day operations.

Restaurant Automation System Java, JDBC, OOPs, Servlets, MySQL, JSP

- Designed and developed a restaurant automation system integrating order processing, inventory management, and billing.
- Implemented CRUD operations for managing orders, ingredient items, and inventory and developed detailed reporting and analytics to support data-driven decision-making.

Integrated University Services

Java, JDBC, Servlets, JSP, HTML, CSS, MySQL

- Developed a university service management system integrating student registration, course management, attendance tracking, and faculty administration into a unified platform.
- Implemented secure authentication, authorization, and complete CRUD operations to manage students, courses, and staff data efficiently.
- Designed interactive JSP pages connected with Servlets and JDBC to ensure smooth data flow and streamline daily academic and administrative activities.

CERTIFICATION

- Internship completion certificate from Excelr Pvt Ltd Solutions.
- Participated in AI workshops conducted in the college.

ADDITIONAL SKILLS

- Adaptive and flexible.
- Effective communication and teamwork.
- Ability to manage time and complete tasks efficiently.
- Self-motivated and passionate about continuous learning.
- Strong attention to detail and project management skills.
